THE NEXT CIVIL WAR
A WELL REGULATED MILITIA BEING NECESSARY TO THE SECURITY OF A FREE STATE,
THE RIGHT OF THE PEOPLE TO KEEP AND BEAR ARMS, SHALL NOT BE INFRINGED

WE THE PEOPLE of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this CONSTITUTION for the United States of America. (Preamble to U.S. Constitution).

In this Country, the PEOPLE are sovereign, and We have delegated our sovereignty through the Constitution to the States and the branches of the Federal Government. The Second Amendment is a COMMAND that the Right of the PEOPLE to Keep and Bear Arms, **shall not be infringed**. This is the relationship of the PEOPLE to the Government, whether it be State, Local or Federal Government, and to all other People and Foreign Governments.

As plain citizens, the PEOPLE are the "well regulated Militia" being necessary to the **security of a free State.** The "well regulated Militia" is not the State's police or the Military of the Government. It is this relationship of the PEOPLE to the Government that **shall not be infringed**, and this relationship is maintained by the Sovereign PEOPLE that Keep and Bear Arms, including **Assault Rifles**. This is the ultimate POWER OF THE PEOPLE to issue COMMANDS to the subservient Government.

To threaten or conspire to limit the Right of the PEOPLE to Keep and Bear Arms, is per se Treason against the Sovereignty of the PEOPLE and the United States by levying War against them, or in adhering to their Enemies, giving them Aid and Comfort, and to facilitate invasions of the Right of the PEOPLE to be Secure in their persons, houses, papers, and effects.

Under Article II of the Constitution, before taking Office, the President "shall" take the Oath to **"preserve, protect and defend the Constitution."**

Under Article VI of the Constitution, the Senators and Representatives in Congress, and the Members of the several State Legislatures, and all executive and judicial Officers, both of the United States and of the several States, **"shall be bound by Oath or Affirmation, to support this Constitution."**

When the Government threatens to limit possession of Firearms, or to restrict sale and movement of Firearms the Sovereignty of the PEOPLE is under Attack and the relationship of the PEOPLE to the Government has changed by design to reduce them under absolute Despotism. When it is the Government that COMMANDS the PEOPLE, the character of Government has changed to that of **Tyrant**.

Further invasions and usurpation on the Sovereignty of the PEOPLE will provoke THE NEXT CIVIL WAR.

MY FIRST AMENDMENT OPINION,

KEITH JUDD, Presidential Candidate
